

NGL Warfare Prayer

Father, we thank you and praise you for giving us power and authority over all principalities, powers, rulers of the darkness of this world and spiritual wickedness in high places.

We plead the blood of Jesus over ourselves, our families, and all we associate with in our business and ministry.

We claim this ground we stand upon today, called _____, in the name of Jesus.

Your Word says that we will possess all the ground upon which the sole of our foot treads. You've given us the nations as our inheritance.

We come against these spirits to be named and command them to be bound in the name of Jesus Christ: religious spirits, confusion, party spirits, religious tradition, murder, immorality, perversion, lust, antichrist spirit, gambling, covetousness and suicide. (Others to be named as perceived.)

We ask for the Holy Spirit to convict people of sin, righteousness and judgment and to convict them of their need for Jesus.

We charge the ministering angels to bring those who are to be their heirs of salvation. We charge the warring angels to war against those spirits, which would cause people to do iniquity and wickedness.

We ask for an open Heaven, so that signs, wonders and miracles can take place.

Father, we pray for the peace and love of God to flow before us to every place where the sole of our foot treads and to every person with whom we come in contact.

We charge the ministering angels to put a guard on our mouths, that we would only say those things, which edify people and bring glory to God.

Amen.
