

## Small Group Leader Responsibilities

---

### **OVERVIEW: SMALL GROUP LEADERSHIP**

Many men have been introduced to the methods you are going to learn at this time. We believe the "anointing of God" flows down from God through the ministry line of authority, will touch you and will flow through you for ministry to others. There are a lot of men doing special tasks for God today who got their start with this ministry. God is no respecter of persons. If He did it for them, He will do it for you.

Keep in mind NGL's main goal: "To put the Gospel into the hands of Faithful Men" so that they may be able to share it with others. The following is a brief outline of how you can assist NGL in reaching this goal in several areas of this ministry.

Everyone can remember his first group leader. As a group leader, you have the unique opportunity of impacting the lives of the men in your group. Almost everyone who has ever gone with us on a trip can remember his first group leader. Your influence on this trip is immeasurable in each man's life. Let it be miraculous!!!

### **OBJECTIVES: SMALL GROUP LEADERSHIP**

#### Small Group Meetings

Help each man in the group to share and be prayed for and not allow anyone to monopolize the time. This is the most important part of the ministry experience. Men need a place to get help from their problems and a place to get vision for their lives.

#### Large Group Meetings

Relax and soak in the presence of God and be willing to "hear, see and experience" God in each other.

#### Assistant Leader

Your assistant leader was chosen to assist you and for you to let him lead in each aspect of the ministry, as he is able so that he will be ready to lead a group when he is called upon. He is your number one responsibility in the group. Help him grow.

#### Clowning

Help each man to learn a skit and do it enough so that he can take it back home and use it locally. Help them catch a vision for clowning at home.

#### Preaching

Help each man to give his testimony on when, where and why of his salvation. Help each man to be able to preach the four spiritual laws.

#### One on One

Help each man to be able to give out the Big Question tract and follow up with a witness so he will know how to lead a person to faith in Jesus Christ.

### **Key Point Of It All!!**

Our overall job is to relax and look for God in all we do and help the group to experience God on this trip. Expect God to show up. He does every time! Your job is to do the simple tasks and stay relaxed enough to enjoy the men and watch for signs of God's presence in your group. We are all here to experience God and to be changed by Him.
